

Tactical Living and Preparedness Course

LENGTH OF COURSE: 1 day (8 hours)

TUITION: \$150

Course description:

APT Firearms Academy's Tactical Living and Preparedness Course is designed to teach methods of preparing for emergencies such as:

- Natural disasters
- Civil unrest
- Pandemics
- Quarantines
- Loss of the power grid
- EMPs
- Martial law
- Curfews

Planning for the unknown takes time, but APT has done the legwork necessary to teach you what you need, where to get it, and how to prepare. When others are scrambling because of complacency or denial, you and your family can rest easier knowing you prepared ahead of time.

Some equipment and supplies will be on display for you to examine.

Don't be unprepared when disaster strikes!
